Lesson Plans – Beginner Phonics Book 3

Note: Beginner Phonics Book 3 is the longest book in the series with seventeen (17) daily lessons.

If you do one lesson a day, it will take about 3 - 4 weeks to finish the book and all the activity sheets.

If you do TWO lessons a day, one in the morning, one in the afternoon, it will take about two weeks to finish the book.

We recommend always taking a break between the lessons, such as a meal or waiting until the next day.
